## 4. Information on parental commitment

In the past, did you have a choice of school programs for your child? Currenuy □ English □ Immersion □ French In the past □ ⊑⊓giisn □ Immersion □ French □ English Why did you make this choice in the past? Why do you wish to make this choice today? Does the child have learning difficulties, in particular as concerns language? Does the child or the family have other difficulties or are there pertinent factors that would have an impact on the child's success in a francophone school? Do you intend to continue your child's instruction in French until the end of the secondary level? Why are you ready to integrate and develop genuine links with the francophone community? Which is your current link with the francophone community: family, studies, work, social? What will the consequences be if your request is refused? Do you have access to instruction in French as a second language? What course of action are you ready to undertake to support your child in his linguistic and cultural experience?

If you do, please complete the following: name age school level name of school  Do you intend to register these other children in a francophone school?  Do you intend to register these other children in a francophone school?  Separental commitment  I acknowledge that the admission of (Name of the child) to francophone school could, in one year, grant me the same rights and obligations as those of a francophone parent. I recognize the importance of the francophone school's mission and share its vision and expectations.  I therefore undertake to:  1. Promote the French language and culture in the child's life;  2. Provide the child with access to French educational resources;  3. Recognize that French is the language of communication and operations between the francophone school and the parent or guardian;  4. Permit the evaluation of the child for a better integration in the school program;  5. Permit that the child follow a francisation program if it is recommended;  6. Foster the child's integration in the francophone community;  7. Encourage the learning of the French language in partnership with the school;  8. Foster a francophone environment in the francophone school;  9. Encourage the continuation of studies in French until the end of the secondary level;  10. Provide the child with the necessary support, up to the end of the secondary level, to help improve his/her language skills in French.	Do you	u have other children: □ yes □ no
